Time . . . Flowing like a river.
Time, calling me
Who knows if we shall meet again.
Like a river meets the sea.
Time,
The sand in an hour glass.
Does it give the world
It's shape.
Me and my friends
Gather around and watch
The time escape.

Time For Cool Change

Who sez that summer sun goes with summer fun, summer heat gives us the beat? Well, for P.S.J.A., this was nothing short of a routine during summer. For many a student who gorged the beaches, parks, and pools it was a quick get away from the Texas climate. Mother nature wasn't the only salvation within reach, though. Thanks to summer wear, brands which ranged from O.P., Lightning Bolt, and Levis to simple funtees, shorts, and tops were sported in streets and malls. For those who couldn't relish in the outdoors, recreation was not a total loss. There were the usual life survival necessities like talking on the phone with friends, and watching T.V. So whether you have white marks all over your body that kept record of all the time you spent out in the sun or you know all the lines to your favorite T.V. shows, this summer is one season that's long to be forgotten by all here at P.S.J.A.

Work and Play

All work and no play is not much fun. All play and no work isn't very good either. A little bit of both was probably the best combination for most students. Although unemployment rose drastically during the summer, by some miracle many students were able to find a summer job. Uncle Sam didn't help things much as Reaganomics reached their worst peak yet. Making the bucks to get you where you wanted, of course was harder than spending. But even so, that didn't seem to stop many students. Summer concerts were banned in the McAllen/Mission area. As a result, many of us were forced to travel farther upstate like Corpus Christi, San Antonio or Houston to enjoy the live music. Others traveled outside the country visiting places like Europe or Mexico and still others stayed within the country. Whether it was fun before work or work before fun, this summer proved to be a little of both.

Uptown on Tenth

East of Tenth, west of Tenth and sometimes too far south from Tenth. Either way students had the night life in them. Cruising on the sometimes infamous strip was a big part of this nightlife, as many students would hang-out with the lowriders, kickers or hot-rodders that lined the street on Friday and Saturday nights. If hanging-out wasn't your style, perhaps you made the scene at a night club. Whether it was rock, kicker, or new-wave nite, many of us managed to sneak past the doors and party out. Students also enjoyed many feature movies this summer, with a wide variety of flicks to choose from. If fun was your main thought, well then the midnight show was the place to go. After the movies many students were left with the question of where to munch out. *The Big Cheese*, *Pizza Hut*, and *G.W. Jrs.*, were the answers to many inquiring minds. If you weren't hungry, maybe you preferred to spend your money on video games at a *Nichelodeon* or *Magic Coin*. But what of the weeknights when one was stuck at home? Well, simple nights spent at home listening to your stereo or a walk to the local 7-11 for a game of *Tempest* or *Space Invaders* was also to be enjoyed. So, whether it was an evening at *Eddie's* or simple fun, the night life for P.S.J.A. was quite an event.

PSJA Makes Autumn Colors

The lazy sunny days of summer were gone. Signs of a coming Autumn were everywhere. One of the biggest events of Autumn that excited some and grossed out others, was the beginning of another school year. Yup, time to hit the ole books again. Seniors were making plans for an exciting last year of high school. Juniors were preparing for responsibilities that naturally came with their classification and Sophomores were expecting the unexpected.

The cool breezy days that came with Fall highlighted the football season. Wow, what a season that was! P.S.J.A. again proved to be a power house. All the preparations for every single game were well worth the trouble. And when all the pain, excitement and fatigue were at their peak, the mighty Bears came out and reigned as District Champs once again. Whether we would excel from that title or not, laid in the hands of fate. As fate had it, we did not. Perhaps that would leave us with a goal to surpass the next year.

During the football craze, quite a few events took place. One that probably captured the craziness in all of us was Halloween. Trick or treating, haunted houses and parties set the background for night-time fun. Thanksgiving gave us something to look forward to also. Any time away from school was a blessing to most. This time also allowed us a chance to stop and think about how lucky we were to have what we had and give thanks. Whether we had much or not was beside the point.

Extra-curricular activities were not the only events during Fall. School placed emphasis on many students, especially seniors. College representatives from Pan Am and Columbia University showed up on campus. Also, whether it was considered lucky or unlucky, some students were assigned their research paper first semester.

The Fall season held many escapades. Getting used to the routine of school after a summer vacation was quite a task for most.

Sylvia Takes Queen Title

Excitement, people rushing around, and anticipation. These words best described the Homecoming week. This of course was the week of Homecoming activities. Spirit was a major input during this time as people attended pep-rallies and cheered on the mighty Bears. Students were busy getting up for the Senior Tea, the Homecoming Assembly and the football game at which ten female students waited eagerly to find out who the reigning Queen for the coming year would be. These young ladies were the Homecoming Queen candidates. On the date of October 1, 1982, at approximately seven p.m. at the P.S.J.A. Bear Stadium, Sylvia Louise Garza was announced Homecoming Queen for the 1982-83 year. First runner-up was Lisa Garcia with Ronnie Martinez as second runner-up. The candidates were nominated by the Senior class and voted upon by the whole student body at an assembly that followed the theme of "Camelot".

Falltime Fun

After the cheering, the halftime marching and dancing, and after the back-breaking task of meeting people's demands for munchies, where did all the action go? Where did all these hardworking students scuffle off to in hopes of finding an action packed night? Well, there were several night spots that some could go to in order to satisfy their craving for fun. Many students chose a favorite munch out spot or a cruise. Fridays weren't the only times students found themselves wondering where to go. On weekdays the high school was a good answer as the PSJA auditorium fell host to the Miss Pharr Pageant and Vegetable Show Queen Pageant which attracted large crowds. The JROTC club held an after school concert with The Formales providing music for the audience. These were just a few of the many events that gave a kaleidoscopic effect on Fall at PSJA.

PSJA Bears "Still the Champs!"

The Pharr-San Juan-Alamo Battlin' Bears did not waste any time in heading for the district crown for the second year in a row. Although they were predicted by polls to come out third behind Harlingen and Edinburg, PSJA proved the dominant force this year as they managed a 10-0 district and 10-1 season record.

Under the direction of Coach Bush and his talented group of coaches, the Bears proved to be a well organized and powerful team. They played hard and they played well. They gave over 100% of themselves and they were rewarded for their efforts.

PSJA was never given the credit they deserved from the media. Harlingen and Edinburg were recognized as the power houses and PSJA was just a team that had the luck of playing the easy teams first. The first major game came October 8 when the Bears faced the Cardinals. They shut them out 17-0 and Harlingen fell out of the race. Although Edinburg remained as the only undefeated team, the Bears had to prove themselves again October 15 against the San Benito Greyhounds. Their offense was strong but the defense could not hold Gilbert Salinas and company as the Bears overpowered San Benito 21-7.

The game of the year finally arrived. The two undefeated teams met at the PSJA stadium and all eyes were on this game. Lines formed at the ticket stands the night before the sales, and people camped out in cold weather for the opportunity of getting tickets. The game proved to be very physical and both teams lost players in this game. Arnold Serna left the game early in the first half with a broken ankle, Gilbert Salinas suffered a separated shoulder, and Michael Thompson's old injury of a torn tendon caused him to leave the game. Both teams rallied back and forth, but PSJA proved stronger as they defeated Edinburg 17-9, giving Edinburg their first district loss. The Bears had clinched the District title but suffered so many physical losses in the process.

The Weslaco Panthers were next and they proved they were not a team that could be taken for granted. The Bears played without the help of Salinas, Thompson, and Serna and proved that team effort was the key to winning the games. They beat the Weslaco Panthers 7-3 for the first undefeated season in 20 years.

The Bears faced Corpus Christi Carrol next in the play-offs, and beat them soundly in everything but the final score. Costly mistakes and bad calls put the C.C. Tigers on top 26-25 advancing them in the race. The emotions felt by the players, students, parents and fans were mixed. The Bears played the best game of the year and beat every team this season, but they had to sit back and watch another team in the district race advance. Was the new rule of the top two teams advancing really fair?

Well the year is over and the sophs and juniors have next year. Coach Bruce Bush resigned February 16 to coach in Alice and defensive co-ordinator Coach Hector Cuevas took over the head athletic director's job. The seniors will never forget the two years under a very talented leader and the underclassmen have gained the experience and background to go on to greater accomplishments.

4 Out've 4

The Bears started off this season with spirit, spunk and determination. They were determined to clinch the District title for the second year in a row. Although the Bears knew that there would be many teams out to destroy their hopes, they were not discouraged. The first team the Bears were to face were the Mercedes Tigers in a pre-season game. The Bears had to prove themselves in the first game in order to carry themselves through the season, and they did. The Bears defeated the Mercedes Tigers 27-6.

The McAllen Bulldogs were the first team to face the Bears in district play. The rivalry between these two teams is always at its peak during football season and this year was no exception. McAllen was out for revenge, but PSJA outplayed, them 13-6 at Memorial Stadium.

The Memorial Mustangs came next and again PSJA proved the stronger team. They overpowered the Mustangs 34-7 for a 3-0 season record.

The long trip to Brownsville proved victorious for the Bears as they defeated the Hanna Eagles 26-12.

PSJA Victorious

The Porter Cowboys were the fourth team the Bears played in district competition. The Bears played the Cowboys for their homecoming game Oct. 1, and beat them 35-20. The excitement of the night and the Cowboys record caught the Bears off-guard and they managed to let Porter score the highest points against them.

Harlingen was a crucial game and one the team was looking forward too. The Cardinals had already lost to Edinburg but were predicted by many to beat the Bears. Last year the Cardinals lost to the Bears 7-16 and blamed the cold, wet weather for their defeat. This year there was no excuse. The Bears shut them out 17-0 at Boggus Stadium.

San Benito came next and again the Bears had to prove their power. The Greyhounds traveled to Bear stadium ready for a victory and proved they had a good passing attack and talented players. But the Bear defense was tough to break, and the offense too much to handle as the Bears knocked them out of district competition 27-7.

The Mission Eagles' record at our encounter was 0-6. After the game they fell 0-7, as the Bears defeated them soundly, 35-0.

Bears Give Over 100%

The Bears played many challenging teams for the 1982-83 season, but the three most impressive games were those played against Edinburg, Weslaco and Corpus Christi Carol. The team members knew that those would be the ones that needed the extra 100% effort and they gave it all they had.

Undefeated Edinburg and PSJA met Oct. 22 in what proved to be the game of the year. Bear stadium was soldout and people lined the outside of the endzone fence to watch the game. The Bobcats had already clinched a play-off spot by defeating Weslaco earlier in the season, but were out to beat PSJA and clinch the district title. PSJA, on the other hand, had to beat both Edinburg and Weslaco to go to the play-offs. The game proved to be a very physical one and members of both teams suffered many injuries. It was a defensive battle throughout the game as both teams found themselves knocking on the door but unable to score. PSJA scored first, but Edinburg rallied back and the score stood 3-3 at half. The Bears came back the second half and proved who the number one team really was. They beat Edinburg soundly 17-9 and clinched the district title.

Weslaco faced the *awesome* Bears Oct. 29 and lost 3-7 in the final minutes of the game. The Bears played without the help of some players due to earlier injuries but as Coach B. Bush said, "my kids always find a way to win" and they did. The Panthers ran the ball up and down the field but were unable to score. The *Masters of Disaster* proved their power and held them to a field goal. With minutes left in the game the defense forced a fumble inside the five. Four plays later, they went in for the score finishing the game and season with an undefeated record.

PSJA traveled to Corpus Christi to a game that proved to be a heartbreaker for everyone. The Bears beat the Tigers at Buccaneer Stadium in everything but the final score. The offense rushed for a big 473 yards, while the defense held them to a stingy 193 yards. Statistic wise the Bears dominated the game, but only the final score counted and it was 26-25, in the Tiger's favor. The Bears played hard and they played well. They played like a championship team plays. There is no team more deserving of a district trophy than the PSJA Battlin' Bears!

JV Looks Impressive

The Junior Varsity football team had an impressive 1982-83 season. The team made up of juniors and sophomores, worked hard in preparing for the games as they proved it in all of their performances. Finishing second behind Harlingen, the J.V. team ended the season with a 6-2-2 record.

Several players stood out this season and the varsity squad will benefit from their experience next year. Johnny Rodriguez led the team in rushing and scoring, Chris McDonald was the leading receiver and Ruben Garza led in interceptions. Hector Morena led the team in tackles and Robert Limas in quarterbacks sacks.

Volleyball Puts Up Fight

Volleyball did not attract as many viewers as football. Although football attracted a bigger audience, this group of volleyball players put on some show for the audience it did attract. They battled with their opponents to the very last seconds of the game. They put up fights until they could fight no more. The girls were known as the 28-5A varsity volleyball power of PSJA who did another exceptional job this year. This year's captain, Gloria Vela, was named All-District player and was voted September Player of the Month by the Bear's Tale. The varsity team got off to a slow start; but managed to come back and place 5th in district with a 6-12 record. The lady Bears ended the season with an overall record of 10-18. They proved to be the players that they have said to be. Through the games they played, they showed the talent and skill necessary to be a volleyball player.

J.V. Gets Ready for Next Year

The future varsity volleyball team of PSJA led by Coach Wolk, has already prepared for the varsity team by playing as members of the Junior Varsity squad. The Junior varsity team worked long hard hours to prepare for this year's task. They practiced and worked until they had mastered all the skills that could make a winning team. Although they placed 7th overall in this year's performance, they prepared themselves and are ready to accomplish the task before them next year. They have watched their peers and have learned the so called, "trade of the game." Next year's varsity squad will have the experience and know how of the twelve members of the squad. The Junior Varsity team will make a well experienced team for next year's varsity team.

Cross Country Gains a Mile

The sport which had people running long distances, was cross country. In charge of cross country was Mr. Carlos Vela. Losing many seniors the previous year, Coach Vela had many young people to work with. The year was for rebuilding the program and to gain experience for the coming seasons. Outstanding runners were Basilio Mendoza, Ismael Segovia, Mary Lopez, and Elizabeth Tijerina. The other runners were O. Munoz, F. Maldonado, G. Palomin, R. Zarate, T. Ramos, R. Salazar, C. Molina, O. Sepulveda, C. Garcia, A. Velasquez, S. Martinez, B. Garcia, N. Avila, B. Adaides, N. Sanchez, and M. Torres.

Girls Unite in Faith

The Fellowship of Christian Athletes, known as FCA, was a club composed of athletes united in christianity. Their purpose was to help each other develop personal christian growth, service, opportunities and involvement in the church. The girl's club was composed of 15 members, 5 officers, and 1 sponsor. They met twice a month on Wednesday evenings.

FCA members had the privilege of reciting the benediction at every Friday night football game. Members also attended valleywide rallies which were held in various cities and sponsored the annual FCA banquet in April.

b.) FCA officers l. to r. are: Michelle Silva—reporter; Maribel Boghs—vice-president; Gloria Vela—president; and Julia Perez—sponsor. Not shown are Monica Silva—secretary; and Lori Garza—treasurer.

Seniors Reach for the Big Eight-Three

Look around you. Do you remember the days of first, second, and third grade? How many friends have you made? How many have you lost? Perhaps half of those people that you started your scholastic voyage are no longer here. But, that was quite some time ago and now you are much older and in most instances very different. What eccentricities and responsibilities did high school hold for you? Maybe not many. One responsibility was obvious, though. The mere idea of being a graduating senior may have snapped you into reality. For this was the year of which there would only be one of each. Only one "first day of school", one "Senior Prom Night", and one "last day of school." Together the "Senior Class of '83" experienced these events throughout their last high school year. Whether it was cheering on the mighty Bears, walking to class together, studying for a test or standing by the edge of a familiar crowd and watching, times like these were a part of each one of us. Captured in the net of activity, seniors would come to stand as one during graduation ceremonies. Thoughts of being thrown out into the cruel world and making something out of ourselves were probably the majority as the last few days of school crept up on us. It was a year with expectations and disappointments, a year that was taken and faded with time.

Juniors

Juniors of '83

Different, Pride, and Spirit are the words that best describe the Juniors of '83. These enthusiastic Juniors proved this by having the traditional poster parties, participating in the class olympics and supporting the Bears. Throughout the football season the Junior Class worked hard at all home games to raise money for the Jr. and Sr. Prom. To make up for the loss of not watching home games, the Juniors gave the Srs. a run for their money at the Pep Rallies. They proved to be extra organized coming in at a close second not far behind the Seniors in The Penny Contest. All these accomplishments and others have given a definite picture of a very promising and exciting senior year up the horizon for the Junior Class. The 1982-83 school year has shown that the class of '84 seems to be getting better.

- a.) Noel Salinas walks tall.
- b.) Rosie walks Marty and Carlos to class.
- c.) Officers for the Junior Class from left to right are: Secretary Rosie Trevino, President Liz Estrada, not shown Vice President Linda Ramirez, Treasurer Monica Trevino and Reporter Anita Alvarez.
- d.) As Rey leans against the pole he thinks—the big apple or the little grapefruit?
- e.) These photogenic Juniors pose for a picture while Rene looks elsewhere.
- f.) Monica thinks of her next Koliba design.
- g.) Linda says, "I thought it was a good joke."

Tough and Ready

Confused, anxious, naive, and smart. Sound familiar? Well, it should. It's none other than this year's sophomore troupe. The class of '85 proved to be a group of many different personalities as one word could not describe the class in whole. Fresh out of the spoilings of their Freshman year, the sophomores had a great deal of responsibility to learn. Some took to the change quickly while others had a bit of trouble and some didn't take to it at all. Those that did get use to the different pace were busy signing up for the many organizations provided at school. Others may have trailed behind but, all remained to uphold the much ridiculed title of the sophomores. This spirited group also held the responsibility of upholding tradition by putting on the annual Belle and Beau Dance. All in all the sophomore class showed the rest of the student body what it really took to be a true sophomore.

- a.) Sophomore Class Officers from left to right are: Secretary Rosie Galvan, President Ramon Richie, Reporter Cindy Escobar.
 b.) Liza Diaz is really camera shy, although she doesn't show it.
 c.) Ilsa Trevino hopes to be the next Camay girl.
 d.) Is Mytla really my name?
 e.) Gilbert and Dago say the Band is #1.
 f.) Hilma Trejo smiles as the rest of the class learns.
 g.) A group of sophomores try to look important.
 h.) Javier suggests Melissa take an extra-strength Tylenol.

Administration Keeps PSJA In Top Form

While driving around the PSJA area, many of us ceased to notice the growing changes in our district. Changes which included the building of new schools and the remodeling and the addition of better facilities to others. This year a new bandhall and P.E. facility was made available to high school students. Many of these changes were made to accomodate the large student population. The people responsible for these tasks were our hard-working and dedicated school board members and administrators. Much time and effort was put in by these men to make it all happen. They made sure all things were kept under control and running smoothly. PSJA now has a bigger and better future for tomorrow's students.

Principals At The Top

The population at PSJA High has been increasing steadily every year. This year 2,600 students were enrolled at the peak of the year and six very important people were there to control them. Mr. Jack McKeever keeps tabs on everything at PSJA. He has been at the high school as head principal for six years and has kept the school at top level in academics, sports, and club and UIL competitions. With the help of his five assistants, Ms. H. Garza, Mr. L. Barrera, Mr. L. Galaviz, Mr. C. Cain, and Mr. L. Ramos, Mr. McKeever keeps PSJA on the top of the list for the better schools in the Valley.

Lending A Helping Hand

Answering the phone, the intercom, dealing with people and keeping attendance is a big part of the system that keeps P.S.J.A. going.

As a part of the office staff, this group of hard-working individuals do their very best to keep everything in order. Those in the front office type for all the Asst. Principals, talk to people requesting to see them, take messages and sell school supplies.

Those who work in the attendance office keep a record of student attendance. They handle reinstatements and they notify parents when a student is absent. Close to the end of the year, they begin to type up the cards for next year's classmen. These people help the school run smoothly.

Probing Into Science

Science is a very important part of our lives and it affects every aspect of it. Led by Mr. W. Wood, the science department had many different subjects to offer this year. Physical Science, Biology I and II, Chemistry and Marine Biology were some of the courses offered. Students had the opportunity to dissect different types of animals, mix all sorts of chemicals, and travel to South Padre to check out the marine life. Tutoring classes were also held after school for students requiring a little extra time. Faculty members worked hard to prepare the college bound students so that they could have the background needed for university courses. They also made sure all students had knowledge of some aspect of science.

Adding Dimension to Knowledge

The Math Departments main objective was to educate the students in the importance of learning the skills of math. The department was headed by Mrs. Shirley Saulsbury. This well organized group of teachers aimed strongly in increasing the students knowledge in math. Whether the subject was F.O.M. or Calculus, the teachers did a great job in teaching their students. If at any time the students had problems with their homework tutoring was available. This was made known to them by Mr. A. Arcaute and the rest of the department. They stressed to the students that they were welcomed at any time. So every morning at 7:45 there was a math teacher to help those students having problems with their homework. The tutoring certainly helped many of the students that needed to raise their grades and it was certainly a big help to those students on the verge of failing. With the math department working together they reached all the needs of their students. Once the students learned the principles of math they moved on to more challenging endeavors. With the help of all the math teachers, the department was able to cover all areas of mathematics and kept the student's grades at an all around good level. All in all the PSJA math department had an outstanding group of teachers who were a big help to their students.

Working Up with History

The History Department's main objective was to add to the students' knowledge in Social Studies. Their aim was to inform students of past events, how these events affected them in the present and how it would eventually affect them in the future. The History Department was headed by Mr. E. J. Ballew. There were different types of history taught such as: World History, Texas History, Government and ASP.

The department has done a superb job in educating the students into becoming aware of all that has happened and how it will affect their everyday life. Despite the fact that it happened some time ago, it is through this, that they learn of the great importance of history. By looking back into the past, it guides them in forming a better society with leadership and most important, a strong government.

English Scores 100

Through the years of history, famous writers have often expressed the importance and pleasure of further enriching ones life through the readings of literary composition. Of course classical literature has been written in many different languages, but the majority of the writings have been in English. Many know English is highly complex and a highly structured language. It is practiced regularly throughout the world. With the mastering of this tongue comes the learning of sentence structure and grammar usage. Here at PS-JA their is a specialized group of teachers who take care of teaching the everyday education starving students the importance of proper writing habits. This group is none other than the English department members headed by Mr. Lymon Bounous. These teachers worked very hard to educate their students. Long hard hours were spent on grading papers, lecturing, and making lesson plans. Although students conjured up wages to avoid dreaded homework, these sharp instructors out-smarted the adolescents and managed to assign themes, 500 word essays, daily assignments and the famous research paper. This year as the head of the department Mr. L. Bounous was required to work on a project for the administration. The project dealt with sophomore English and covered every aspect of the subject.

Winter Freeze Frame

To some people, cold, rainy days are the perfect weather for enjoyment. To others, sunny, cool days are essential for a great winter. Here at PSJA, winter wasn't a time to hibernate. Because spirits tend to dampen during this season, some students tried to get the student body back into the swing of things. The Yearbook-Science Club sponsored "Queen Contest" was an activity that gave students a chance to enjoy themselves. Student Council held their annual talent show and a New Year allowed students a fresh start on their academics.

As far as weather was concerned, even though the odds for snow in the Valley were a billion to one, plenty of cold days permitted students to show off their winter fashions and saved an otherwise dull winter.

Christmas Ends the Old Year

For PSJA'ites, Christmas and the New Year were a time to celebrate. As Christmas grew closer many of the malls became crowded. People rushing around gave the spirit of giving an extra sparkle. Many students went Christmas caroling to spread the Yule Tide cheer. Clubs as well as businesses held toy drives to help less fortunate children. Christmas was also a time to be with family and friends. The vacations from school allowed many to travel to other cities, states and even countries, to visit relatives. But as the Yule Tide spirit was at its peak the holiday was too soon ended. Students quickly found themselves facing another New Year. Reminiscing about the past year many decided to make things better. New Year's parties were the center of festivities. Party hats, egg nog and bunuelos played a big part in "Ring in the New Year". As students and faculty alike "Partied", the final moments of 1982 passed and everyone was booted in to 1983.

Varsity Hits the Courts

The P.S.J.A. Bears were really cubs this year, trying their very best to keep up with the more experienced teams in the district. With four seniors, three juniors and five sophomores on the varsity team, the young Bears fought a tough district schedule. They worked long and hard hours all year preparing for survival. Rated number nine out of ten teams, the Bears managed a 7th place finish. The starting lineup consisted of two juniors and three sophomores with only two experienced seniors including Luis Villescas who anchored the team. The season started with a third place finish at the Edinburg Tournament. The Bears did not fare so well at the start of District play when they lost their center sophomore Robert Silva and later on lost their leading scorer due to scholastic ineligibility. The record does not represent the efforts and dedication of the young Bears. All starters will be back next year, and should be seasoned enough to compete for a place in the playoffs.

The Junior Varsity will be providing the backup talent necessary to give the Bears what they need to compete.

Lady Bears Take Charge

Making a break for a victorious season was the PSJA Lady Bears Varsity Basketball team. The Lady Bears took challenge after challenge and gave everyone of them their best shot.

The Lady Bears varsity team consisted of seven seniors and five juniors. Two of the seniors, Maribel Boghs and Gloria Vela, were the high scorers of the season. This year the Lady Bears accumulated 1105 points total while their opponents accumulated a mere 1056. Although the victory showed in their point advantage it did not prove to be so in the final season record. The varsity Lady Bears ended their season with a 14-16 record.

J.V. on the Rebound

The Junior Varsity team, headed by new coach Ms. Avila finished the season with a 14-11 overall record. Members of the squad worked hard to produce a good team and to gain experience for the upcoming years. They sponsored a basketball tournament on campus and managed to give other schools in the Valley competition.

Tennis Takes A Bounce

The 1982-83 Tennis Team had 12 members on its squad. The six boys and six girls were coached by Kathy Garza. The PSJA Tennis Team had a successful year with a 5-4 overall record. To make this possible long hours were spent on the tennis courts getting ready for various competitions. The team proved to be successful as they beat Brownsville Hanna, Harlingen, and Mission in their dual meets. Top seed for the girls was senior Sandra Garza with a 6-2 record. Leading in the boys division was sophomore David Olvera with a 6-2 record losing only one match in singles. With quick reflexes and improving talents the PSJA tennis team came a long way this season turning out a good record for the year.

Swimming Takes A Dive

The PSJA Swimming Team consisted of 13 members and they were coached by Coach J. Clark. They practiced many hours throughout the weeks at San Juan Municipal Pool to prepare for competition against other schools. They competed in butterfly, backstroke, free-style and the medly relay. Rene Calderon was the only member of the team that competed in the diving category. The team did well in the tournaments that they competed in throughout the year.

Cheerleaders Are Grand Champs

The Varsity Cheerleaders, under the direction of Mrs. Jo Ann Doffing did an excellent job this year in promoting spirit. They performed at pep rallies, football games, basketball games and led the cheers at the baseball games. They led spirit rallies and were the #1 factor in the outdoor night pep-rally and the down town pep-rally for the football games.

The cheerleaders, made up of eleven girls, started practice during summer. They practiced long hard hours in the hot sun in order to prepare themselves for camp and for other competition. They traveled to North Texas State in Denton and were awarded the *Grand Championship Trophy*. They also received the *Key to Spirit Award* which is given to the squad that carries the most spirit throughout the camp. The cheerleaders also traveled to San Marcos for Regional competition. Although they were not awarded a trophy they were given a superior ribbon for their effort.

But camps, trophies, and competitions are not all that the cheerleaders did. They gave a little of themselves to the younger crowd. They sponsored cheerleading clinics throughout the year and taught kids gymnastics, stunts, and cheers.

JV Chs. Back Bears

The Junior Varsity cheerleaders continue to strengthen the pride and spirit in Bear fans as they back up the varsity squad. The JV cheerleaders attended the home JV football, basketball, and baseball games. They attended the NCA (National Cheerleaders Association), regional competition in San Antonio, Dec. 4 and ranked 2nd overall in the JV division. They were also awarded two superior blue ribbons for their performance.

This year the JV cheerleaders helped the varsity squad in fundraisers. They co-sponsored cheerleading clinics, had enchilada suppers and co-sponsored the Valentine computerized letters. The JV cheerleaders were sponsored by Mrs. Hilda Garza-De Shazo and headed by Liza Diaz.

Osoettes Back Football Team

The Osoettes, the school pep squad, had an eventful and rewarding season. For the first time since the organization was formed the Osoettes cheered for one sport only. The 35 members backed the Bears at the football games, treated the team to suppers after practice and won the *Decorate the Hall* contest with the "Hall of Fame" theme. They were honored by the football team by having their president Terry Sandoval chosen as the 1982-83 Honey Bear.

The Osoettes were formed originally to back the Bears in all sports, but due to the reconstruction of the constitution, the Osoettes did not have to do it this year. Their presence was really missed at the basketball and baseball games.

Bearettes Entertain Fans

The 1982-83 Bearettes are a spirited group consisting of 43 girls. They are sponsored by Mrs. S. Navarro and Miss B. Flores. The girls did a fine job in entertaining the fans during halftime shows. The Bearettes attended a summer camp where they learned routines for their dances. The girls danced at various local Pharr business parades, and held their annual Variety Show here at the high school. Some of their money-raising projects included selling christmas ornaments, stuffed animals, and ribbons during the football season. They also held an enchilada supper. After football season the girls attended the Super Star Drill Team Camp and the American Drill Team Camp. They learned both high kick and jazz routines for basketball.

The girls also competed in San Antonio. Bearette favorites for 1982-83 were Nora Barker and Orlando Munoz.

In with New, Out with the Old

The PSJA band entered the new school year with some new innovations. One of which included the addition of a marching band director to the music staff, Mr. Luis Maldonado. Mr. Maldonado brought to PSJA a new style of marching which was a big contrast from years before. His new ideas included eliminating the traditional, crowd pleasing, double time entry; instead, the band entered with a slower beat. From that point on, the Bear Band opened with the quiet, beautiful tune arranged by Mr. Maldonado. Another new idea included the addition of white gloves to the uniform which gave the band even more of a classy look. With these ideas the band set forth to prepare for the annual Pigskin Jubilee. The weeks, days and hours wore down and finally the day approached. On the sidelines, the clock began, and the band went off. The performance went well but after the last note was played, the directors were frantically trying to get the band off the field, for time was running out. The ratings were finally being read . . . "PSJA, division two!" Not much was said by the band members, only tears were shed. Later, the band waited for Mr. Cisneros (head director) to arrive at the buses. When he arrived, he silenced everyone and calmly said "All three judges gave you a one." The band broke out yelling with joy and relief. Because of technicalities, the clock was started too early and so the band went overtime, consequently a division two was announced. An emotional time for the Pride of PSJA but, nevertheless, a success.

The band season didn't stop there, though as All-Valley Band try outs also proved successful. A total of 25 students were awarded a chair in the 1983 All-Valley Band and a PSJA record of 13 of the 25 students placed high enough to be named to the Area Band which is the second step towards participating in the All State Band tryouts.

With time comes change, but that didn't stop the Mighty Bear Band from moving forward, as usual.

Mighty Band 180 Strong

Under the direction of Mr. Pete Cisneros and eight other assistant band directors the Mighty Bear Band was 180 members strong. The purpose of this organization was to provide the students with the opportunity to be in a musical organization where different types of music were performed. The band also provided music for school and community functions. This year the Pride of PSJA worked hard in preparing music and marching drills for halftime performances, band competitions and the annual Pigskin Jubilee. Performing at eleven football games, thirteen pep rallies, the Veteran's Day Parade and the Vegetable Show Parade kept the band busy during marching season. After marching season, the band split into its four different groups to prepare for concert contest. During this time the band worked on concert music and sight reading.

JROTC is Growing Strong

An organization which has rapidly grown in number in just two years of existence is the Junior Reserve Officers' Training Corps. It has taken PSJA by a storm and has grown in enrollment to 190 cadets. Sponsors for JROTC are Lieutenant Colonel Fidencio R. Barrera, Master Sergeant Artemio Palacios, and Sergeant First Class Jose M. Cantu Jr. The club, sponsored and funded by the US Army, helps promote citizenship, patriotism, respect for constituted authority, and leadership potential. Cadets are taught basic military skills like those received in army basic training. They are taught to give and receive commands and they participate in the presentation of colors and flag raising ceremonies. Both drill teams armed (boys) and unarmed (girls) attended and placed in their first drill team competition held at Brownsville Hanna High School, Dec. 4, 1982.

“Plugging It In”

The Pharr-San Juan-Alamo Electrical Appliance Repair gave the students here on the PSJA campus an opportunity to experience a new club.

This new club (EAR) began it's 1982-83 school year by recruiting over 30 active members. These members were carefully guided and looked after by their instructor, Mr. E. Garcia.

Those students who had the opportunity to be in this organization learned how to repair broken electrical appliances and also to keep them in good working condition.

“Cultivating For The Future”

The Future Farmers of America work strongly together in developing agricultural leadership, cooperation, and citizenship. They are sponsored by Mr. J. Ramirez and Miss V. Garza. The group consisted of 41 members. Throughout the year, the students attended leadership contests, the Rio Grande Livestock show, and a citrus show. The club also participated in the annual All Valley Vegetable Show. Both lamb judging and meat judging were held. The F.F.A. Chapter has a certain requirement that students enroll in vocational agricultural classes. Second, membership club fees that are payable to district, area, state and national levels. Some of their objectives are organized instruction, supervised occupational experience and, other F.F.A. activities. ICT Working in Trades

VICA members enrolled in Industrial Cooperative Training had the opportunity to work while in school. There were thirty club members in I.C.T. who attended school during the morning and worked in an approved Industrial Occupation in the afternoons. During the school year the club held two fund-raisers to obtain money for the annual Employer-Employee Banquet. Several members participated in various leadership and skill contests at district and state competition. "VICA's goal was to help students with interests in the trade, industrial or technical fields," said sponsor Mr. Ramirez, "It also helped students become happy, mature and productive citizens". The purpose of the club was to foster a deep respect for the dignity of work. They achieved this through participation in educational vocational and social activities.

“Advancing With New Techniques”

The Vocational Office Careers Clubs of Texas Duplicating Office Training is an organization striving to advance in the field of business. The club was headed by Miss Criselda Gonzalez, and consisted of 20 members. Their main objective was training undergraduates in becoming outstanding, principled, and honorable office workers. This vocational career club specialized in the operating of several types of duplicating and stenciling machines. They included the fluid duplicator, stencil duplicator, offset duplicator, electrostatic stencil maker, bindor, plate maker, ream cutter and collator. With the experience these students got, they were able to enter into an office-oriented career. There were no requirements for becoming a member. The student was encouraged to join if he/she was taking any business courses.

Throughout the year, the students worked hard preparing and familiarizing themselves for competition.

Students of Today, Mechanics of Tomorrow

Coordinating hands, mind and technique was what Auto Mechanics was all about. Sponsor Mr. A. Palacios taught the automotive trade to his 39 students. He instilled in them the knowledge that our national heritage was developed by men and women working together. He taught the students the basics and the advanced skills of the automotive trade. He showed the students that long hours of work and practice would make them better tradesman and tradeswomen. The auto mechanics class was a stepping stone for students who planned to make the automotive trade their career.

Learning a vocational trade can be a lot of fun. Auto mechanics students competed March 4-5 at Brownsville, Tex., in the Southmost College Auto Mechanic Contest and VICA Skills. On April 14-16, they attended the State Contest in Fort Worth, Tex.

Cars are our Business.

Teaching his 28 students the mysteries of the automotive trade was what sponsor Mr. R. Zavala specialized in. He taught them how to become productive members of the club and required them to be passing all their other classes. The club was not only for boys, but also encouraged girls to join.

The club competed in skill and project competitions where they rebuilt automotive parts. They worked inside the school shop for training purposes.

The club's fund raisers consisted of auto-repairing, a buckle sale, and an enchilada dinner held in March to provide the transportation for state competition. The students' reward was knowledge and training in the automotive field. Awards were given to the Outstanding Students.

Thespians Always on Top

When Thespian troop 1295 comes to mind, one thinks of live, colorful, exciting drama. This year the Thespians went a step further, aside from UIL tournaments and fund raisers, they put on a production that left 5,000 smiles on the faces of the children from the PSJA district. Aesop's Fables was the name of the show, which was the first rock musical under the direction of Gilbert Zepeda. The outcome of the show was quite a change. It was the first production that actually filled the PSJA theater with walks of all kinds, Aesop's Fables had Winter Texans doing the "Hop and Bop" and answering questions from the stage. Aesop's Fables was a show enjoyed by people of all ages.

Building to the Top

Building and Construction Trades banged away to success. Sponsored by Mr. Hector Longoria, the clubs were prepared with the best leadership abilities and level skills in the field of vocational studies.

Directed by their instructor, the two classes, consisting of 30 students, participated in constructing several wooden framed buildings that included a green house, several storage sheds, and a small home. They built furniture, such as bookcases and lighttables for the classrooms, and did some work around the campus. With skill and knowledge, members of the clubs prepared for competition by working on various projects for the District meet which took place the 4th and 26th of March in Brownsville.

The Council Does It Again

Student Council is a club with much pride. There were 25 members in this organization which promoted citizenship and involvement in school activities.

To promote spirit among the classes, the student council held a penny contest in November and the class olympics during the pep rallies. The seniors took top honors in the penny contest by raising 6,478 pts. The juniors came in second and the sophomores third. The juniors upset the seniors and sophomores in the class olympics by winning in the final events.

Student Council also sponsored two blood drives and a Christmas toy-can food drive. With the help of sponsors Mr. Ramiro Castillo and new assistant Mr. Richard Flores, they also led the club in sponsoring a Leadership Workshop for all club officers.

Fundraisers this year consisted of a Halloween movie, button sales, and a slave sale.

"Cooking from the Heart"

The Future Homemakers of America kept themselves very busy making their year a full and prosperous one. Throughout the year many community beneficiary projects were sponsored. During Christmas, the club sponsored a party in honor of the children from the San Juan Orphanage.

The members honored the faculty by holding the annual Christmas Tea during all three lunch periods. The Teachers were treated to sandwiches and baked goods.

In March, the annual Rock-a-thon was held and the money earned was donated to a special organization. St. Valentines Day was made extra special by the heart-shaped cakes which the F.H.A. members decorated and sold.

All the F.H.A. members were treated to a weekend at the beach instead of taking only a few to their annual convention.

They reached their goals that in the beginning seemed so far away. Their year was completed just as they had hoped.

On Our Way to "Class"

The Texas Future Teachers of America, usually referred to as T.F.T.A. was sponsored by the Texas State Teachers Association. Here on the P.S.J.A. High campus, the F.T.A. was sponsored by Mr. R. Newberg and Ms. J. Duran. The club consisted of 30 active members. This year the F.T.A. attended the District workshop and District Convention held at Homer Hanna High School in Brownsville. These meetings helped the members a great deal in achieving their goals. They achieved their major goal by raising sufficient funds to take their active members to the 34th Annual Convention of the T.F.T.A. held in Dallas, February 18-19. Students and advisors from all over the state of Texas came together on these dates to share their own personal knowledge and experience of the club. The members learned a great deal about the teaching profession and it's role in society, and gained experience which helped these members establish better careers.

Top Students Selected To NHS

The Tri-city Chapter National Honor Society has in its organization 59 members. They are sponsored by Mrs. Karen Reynolds and Mr. E. J. Ballew. The purpose of this organization was to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership and to develop character in the students of American secondary schools. The students were chosen on the basis of scholastic achievements, leadership, character, service and an over-all average of 90. This organization met the second and fourth Thursday of every month. Their activities for this year consisted of an induction and installation banquet, contributing to the friendship tree and christmas caroling. They also held a candy cane sale as a fund raiser.

MAO is Our Name Math is Our Game

Mu Alpha Theta, an honorary math club, consisted of math oriented topics, with guest speakers, contests among the members, and mathematical discussions. In an attempt to promote mathematics, MAO sponsored an annual Math Contest for the members, and the Jr. High Math Contest for the Students of LBJ, Austin Jr. High, and PSJA Memorial Ninth. Mu Alpha Theta honored outstanding math students including those who excelled in Number Sense and Calculator Contests.

This year the club inducted 28 new members, giving them a total of 50 great mathematicians. Sponsors P. Gill and S. Saulsbury had all their members working hard to keep their grade point average at about an 83 (B) overall, which is the requirement for the club. During the year the members of the club had a candy sale, and sponsored their annual banquet at the end of the year where the new officers were introduced.

"Double Tongue Talk"

Although the members of the Pan American Student Forum (PASF) don't speak perfect spanish, they do strive to develop better leadership and understanding of the many different cultures of the surrounding countries. Guided by Mr. J. Ramirez and Mrs. V. Hernandez, the 30 member club held many fund raisers such as car washes, bake sales, and a calender sale. The money raised from these projects was used for the annual PASF state convention in San Antonio. 13 active members and the sponsors attended the three day convention.

Digging into the Past

The PSJA History Club was a new club formed at PSJA. Even though it is new, it was able to attract a lot of students. The club's purpose was to learn more about the past and the affects it has on our society. There were 36 members this year who were sponsored by Mr. Soriente, Mr. Reyna and Mr. De La Garza. The history club members presented all war veterans at PSJA with carnations for Veterans Day. As a fund raising activity they held a customized mug sale. The club took a field trip in which they toured the capital of Texas.

Memories Are Forever

The start of a fresh school year naturally means a new memory book. This year was no different, in fact it was extra special! The main reason being that it was the job of the Bear Memories staff to put a yearbook together that reflected back on the last school year of the Seniors of '83 and a new beginning for the underclassmen. Some returning "Journalism Junkies" came back with a little more experience while others were rookies. Although meeting deadlines was one fault, the memories staff managed to pull another fine book filled with sweat, tears, laughter, joy and plenty of long hours. Even though the process of making a yearbook can cause quite an ordeal, the "junkies" enjoyed every minute of it! The main, little light at the end of the dark tunnel was Ms. Blanca "Whitey" Perez, second year advisor.

“Nature’s Friends”

The PSJA Science Club has worked very hard all year long to promote the study of science. The 30 member club is headed by Mr. Hector Sandoval and Mrs. A. L. Perez. This year some club members traveled to Garner State Park in Texas and to Aransas Pass. Their year consisted of all sorts of fund raisers. At the beginning of the year the Science Club members held several car washes and also sold memo boards to help them raise sufficient funds. In February the Science Club joined forces with Journalism to sponsor the 2nd annual Queen Contest Sock-hop.

To benefit the school the Science Club members joined together to form a beautification committee who's major concern was to beautify the areas between both C buildings. They did this by weeding the area and planting new types of plants, which were donated by several community nursery owners and the parents of some of the members.

Bear's Tale Makes News

News happens everyday and the staff responsible for gathering it and putting it together is *The Bear's Tale* staff. Consisting of 13 members, the staff is led by co-editors Edgar Cabrera, Sylvia De Leon, and advisor Ms. B. Perez.

The staff published a monthly issue this year with special eight page editions in September, October and May. They wrote news, features, sports and sold advertisements. The staff learned how to lay-out pages and sell their end product. The *Bear's Tale* staff also learned about deadlines.

The newspapers were sold during all three lunch periods by the staff and other photo-journalism classes. The staff found out that putting a newspaper out was hard work.

Fundraisers for this year consisted of a football key chain sale and the Queen Contest Sock-Hop.

Choir Sings in the Key of Life

Why is PSJA's Concert Choir different? It could be their dedication, determination and strong voices . . . and it is! Because of this, the choir accomplished many achievements. They attended the annual Concert Choir Clinic at Pan American University, performed at many junior high schools and placed at the UIL solo and ensemble competition. All these activities were done aside from the annual Christmas Concert and end-of-school-year performance. The choir earned their money by a highly successful brass fund raiser. It's no wonder why choir lives in harmony.

Photo Club Clicks on

The PSJA Photography Club was under the direction of Ms. Kay Marquez with 15 members in the club this year. The photo clubs purpose this year was to develop and encourage an interest and proficiency in photography. One did not need to own a camera to join this club. Members were taught all the parts of the camera and how they were used. To give them practice on using the camera they held photo projects to develop their skills. In order to be able to have these photo projects and to go to different places to take pictures, the club had a variety of fund raising activities to make these things possible. Helping channel 60 with pledge drives was also a part of their activities. This year's group consisted mostly of seniors so the club worked on recruiting underclassmen for their club. All in all, the club kept busy all year and 15 people gained insight in the field of photography.

Art Club Makes Tracks

The PSJA Art Club was formed for those students interested in art who were trying to further develop their skills. There were 15 students at PSJA this year that joined the club and they were sponsored by Mrs. Isabel Schuy and Mrs. Irene Leal. This years club showed much pride and spirit. Putting Bear tracks on the sidewalk of the school campus was one of their first projects. Next, they were able to get the Bear Mascot back at the football games. They also visited nursing homes and took gifts to the elderly. They sponsored an art contest for those talented artist on campus who were not members of the club. Other art teachers acted as judges and prizes were awarded to the winners. Fund raising projects were also a part of their activities. They used the money for a variety of things.

Rolling with the Punches

The Karate Club is one of the newer clubs found here at the high school. Membership in the club is limited to forty members.

Even though the Karate Club is relatively new, the members received many honors in the tournaments held throughout the year; in which they proved a success to themselves and the school. The club is under the direction of J. Torline, C. Saldana, and J. Ramirez. The members practiced after school on Tuesdays and Thursdays from 5:00 to 7:30. Before working out, these students spent at least thirty minutes stretching and warming up so that no injuries would occur. Stretching is of great importance because it requires much endurance.

The students learned TAE KWON DO, meaning defense with arms and legs. There are different rankings such as, white belt, yellow belt, green belt, and blue belt within the club.

Getting down to business

Future Business Leaders of America (FBLA) has been in existence for three years. Headed by Miss J. Duran and Miss R. Garza, the club held various fund raising activities this year. The members also attended several work-shops and district meetings throughout the valley. The knowledge and experience gained from these meetings helped make the club stronger and more knowledgable in the field of business.

Members of the FBLA club also had community activities. They visited the San Juan Nursing home during Christmas and had an Easter-egg hunt for a children's home in spring.

Computerized JETS

The computerized world is here and the JETS were just in time. With Mr. Austin B. Cron at the wheel, this group had an unforgettable year.

The JETS promoted engineering and technical careers for high school students. This year the organization spent time raising money by taking charge of the concession stands during the J.V. games. They attended the State Conference at Texas A&M in March and were responsible for the valley wide Second Annual Computer Contest and Fair, which took place April 30.

Spring Breaks the Ice

Spring finally arrived. With it came warm days, cool breezy nights and the perfume of citrus buds in the air that were enough to spark a bit of "Spring Fever" in many students. By this time the second semester was well underway. Seniors, as well as other students, were working hard to finish off the final semester. This was a crucial time for those who were severely plagued with "senioritis". In sports, baseball and track headed the season for Spring as swimming and basketball wrapped up Winter sports. Pulling all sports together, though, was the All Sports Banquet which was well attended. School activities varied throughout the year. One major event that held special memories was the Prom. Students enjoyed the night in a Tropical Paradise. The Thespians presented "A Funny Thing Happened on the Way to the Forum" as their one-act play. Special trips to colleges were held and one very special trip to Washington, D.C. for over 30 students was sponsored by Mr. R. Newberg and Mr. E. J. Ballew.

The Spring break coincided with a greatly celebrated holiday: Easter. Parks, lakes and beaches were filled to capacity as families enjoyed an Easter Sunday outdoors. Several other holidays involved the students in celebration. April Fools Day was a birthday to practical jokers and St. Patrick's Day was quite an enjoyment for pinchers and those who loved green. Big parties were common this season. The majority of them being graduation dances and suppers. As the season progressed the hot, dry days prevailed and the climate brought out fresh spring-wear for students. The fashions were similar to summer-wear which ran from O.P. and Lightning Bolt to regular T-shirts. Plans for the coming year were getting started as student body and class elections took place. The Awards assembly was one of the highlights of the year. Concentrating on students at PS-JA, sponsors and teachers awarded honors and scholarships. As the year came to a close many people were glad to get another year over with and looked forward to the next. Others were sad to see another go by; perhaps, because it was their last . . .

Catch That Baseball Fever!!

The 1982-83 baseball season proved to be a great season for the PSJA Varsity baseball team. The season took off to a full swing as the Bears defeated team after team losing only to the Porter Cowboys. Their determination and skill payed off as they continued on to the play-off games. Returning senior letterman were Aron and Arturo Santa Maria, Jaime Aguirre, Gilbert Salinas, Tito Ramirez, Romeo Garza and Roy Garza. Other outstanding players were Eddie Serna, Bobby Aleman and Xavier Acosta. These young men proved to be a tremendous asset to the team.

One of the least known sports in PSJA is the exciting game of Golf. Golf, being one of the newer organized sports at school, has a tidy team. The "PSJA golfers" practice daily and are always perfecting their swinging strokes which makes them a winning team. The golf team is coached by Mr. Danny Reyna. It's no wonder these Bears are a winning combination.

Running to the Finish

The outlook for the '83 Lady Bears track team was average to above average. This year they started with a young team since they lost 13 seniors and had only 6 returning lettermen, and 5 newcomers. These young ladies practiced daily from 3:30 to 5:30, participating in activities such as the different relays, 400 yard dash, high jump, shot-put, discus, long jump, triple jump, hurdles, and of course sprints.

These Lady Bears had a good season and really improved their pace. The girls who participated and did well were P. Abliedinger, N. Avila, C. Farias, L. Garza, Q. Vera, E. Vale, B. Garcia, M. Lopez, T. Ramos, R. Salazar, and E. Tijerina.

Bears on the Run

The hard work and determination the track team used this year are the elements that made PSJA proud of the "running Bears". Although track was one attraction at meets, field events also dominated the admiration toward the team. Many afternoons were spent at the stadium preparing the body for the winning combination that the track and field members winners this season year. Some of the events that were excelled in were 400 meter, relay, discus throw, shotput, high jump, and pole vault.

Outstanding "tracksters" this year were B. Rodriguez, O. Munoz, R. Guerra, S. Salazar, M. Thompson, S. Ramirez, P. Gomez, C. McDonald, C. Elizondo, G. Martinez, M. Ybarra, R. Castillo, and C. Thompson.

Students Attend Mythical State

This year a total of 11 students were selected to attend either Boy, Girl or Civitan State. Their selection was based on leadership, character and community involvement. Boys and Girls State congregated at the University of Texas while Civitan State was held at Southwest Texas State University. Civitan, Boys and Girls State are all government related and they offered the students a chance to experience the management and mechanics of government. While there, the students listened to guest speakers and attended workshops. They also had the opportunity to meet other people from different schools. The mythical state gave the students a chance to learn more about their government.

a.) Girls State (l to r): P. De Leon, M. Martinez, J. Sandoval.
b.) Boys State (back l to r): O. Munoz, O. Munoz, (front): E. Cabrera, A. Liu, H. Sandoval.
c.) Civitan State Margie Garza, and Raudel Garza.

UIL "Takes It to the Top"

UIL, the University of Interscholastic League, has grown steadily in popularity and achievements. Heading out as one of the top squads in the valley these UIL'ers gave PSJA another team to be extremely proud of. Much of this credit was due to the constant pushing from Mrs. Janet "Mom" Doyle, UIL Coordinator. The troupe competed in science, math, spelling, journalism, typing and shorthand, as well as Speech and Drama. This year PSJA held two tournaments which were run and supervised very well. The troupe also managed to send several representatives to various UIL sponsored "Master Minds". "A Funny Thing Happened on the Way to the Forum" was presented as this year's one-act play by the Thespians. Much hard work and plenty of practice were put into tournaments. Perhaps this was one reason why the UIL squad truly deserved all the trophies it brought home.

- i.) May—Nora Barker and Raudel Garza

Student Body Selects Belle and Beau

The PSJA student body chose two outstanding seniors as Belle and Beau for 1982-83. The two students honored were Gilbert Salinas and Lisa Garcia.

Gilbert, an all-star running back for PSJA, played both football and baseball during his three years in high school. He won many honors in both sports and was named to the All-State football team his senior year. Gilbert was also sports writer for the Bear's Tale.

Lisa was an active band member and was selected for the All-Valley band. Lisa served as president of the senior class and was a member of Mu Alpha Theta and National Honor Society. She was also named first runner-up Homecoming Queen.

Seniors Choose Ronnie, Orlando

The Class of '83 chose **Orlando Munoz** and **Ronnie Martinez** as their Class favorites.

Being selected as favorite is nothing new to Orlando since he has had the honor of being chosen favorite since his Jr. High years. During his senior year Orlando was a member of the track team, cross country and the fellowship club.

Ronnie helped keep the spirit up at PS-JA as a varsity cheerleader and secretary of the senior class. Ronnie was also second runner-up for homecoming queen.

Norma, Bobby Chosen '84 Favorites

The junior class chose **Bobby Aleman** and **Norma Robles** as their favorites.

As a junior Bobby was a quarterback for the district champs and was a member of the Varsity Baseball team.

Norma cheered the Bears on as a Varsity Cheerleader.

Athletes Honored as Sophomore Favorites

The Class of '85 chose Basilio Mendoza and Esmeralda McDonald.

During his first year in high school Basilio was a member of the Cross Country team and Track team. He was also a member of the Varsity Basketball Team.

Esmeralda played volleyball and was a member of the Lady Bears Track Team.

To Emily, Editor-in-"Chief".

Well Em, the year has almost come to a close all the memories of our senior year, the laughs we had and the fun we had in school are all be memories hidden in every page of this book. All that we worked for is finally over. But you know, being in Mr. Menbergs class, and Journalism just won't have been the same without the final ingretiant, YOU!!!

You made everything I did alot more exciting + fun. I know I haven't told you that a really appreciate your friendship. But I really do. And I know I didn't tell you that I

don't think this yearbook would have been the success it was if you hadn't been the Editor. I don't think anyone desired it more than you. Not even me! I hope you'll always remember the talks we had at the dark room, the fun we had at the games and most of all the long hard hours we spent together working to **RESTAURANTS** make this yearbook

success. But I think it really was **CLOTHING** worth all the time and effort. I was really fun having you for editor my Jr + Sr. year. I really think our friendship was very special **AUTO** and I hope it will continue to be special. I wish you the **PUBLISHERS** Best of luck in

whatever you do. I know you'll accomplish every goal you set out to do because I've seen you do so in the yearbook stuff. Take care and never lose contact with me. Call me during the summer. "Journalism Junkies"

Good luck in the future and keep on drumming. I know some day you'll get up in the world and when you do look me up. HA, HA. My high school years were spent with you and with no regret they will be cherished. God bless you and may our relationship be entitled "ENDLESS LOVE". Love always, Valerie Garcia (Yoko)

I owe a great debt of gratitude to the following people: Aida Moncivias, Joe Palacios, Rosie Lopez, Adelina Moreno, Laura Lozano, Rosita Rojas, Delia Sanchez, Letty Yado, Sandy Handy, Diana Lopez, Lupita Cantu, Sheila Cook, Frances Martinez, Maggie Bernal, Silvia Cantu, Freddy Lopez, Monica Silva, Terry Sandoval, Fred Rodriguez, Nelda Sanchez, Hilda Oscanas, Nora Barker, Imelda Cantu, Nydia Babe, Jaime Palacios, Robin Doty, Lydia Azaldua, Miss Florez, Mr. R. Florez, Mr. Guillum, Mrs. Reynolds

Thank You All! A special thanks to Mrs. Navarro, I love you, you are very special to me. Donna Martinez

I want to say thanks to the most wonderful teaching staff in the Valley. To all of my teachers "thanks" for giving me so much knowledge throughout these years.

Last, but not least, "thanks" to the most wonderful set of friends anyone could ask for. I'm proud to be a part of the Class of '83. I can't express how much I'm gonna miss all of you. We have been together for so long and we have experienced so much together for all of it to come to a sudden end. But as we grew up together in high school, we can grow up together in the outside world.

Good Luck and Congrats to the "Class of 83". Love, Rosie Lopez

Emily,
 Well what can I say to a
 very dear friend of mine!
 You've been just terrific,
 I wish we could all come
 back & march with the
 pride of PSSA right! I hope
 we will be able to see
 each other over the summer.
 Take good care of yourself &
 Be Good!!

P.S. Lightning Bolt Lots of Love

A time to be born.

A time to die.

Editor's Farewell

Soon it'll be all over and as time goes on my high school years will gradually become a small part of my life. My friends, I will miss you all but I will always have the memories of the good times, the few disappointments and the tears of joy we shared here at PSJA High. And to you Homer my special friend, I say thanks. Thanks for being there when I needed you, for your support and just for being you. I will never forget you or your friendship. Thanks to all my teachers for their time and dedication and to my parents for their support. Well, this is it, the moment so many of us have been waiting for . . . graduation. Good luck and enjoy. —Emily Salinas

The memories of PSJA will always remain in my heart. The friends and teachers that I met have made an impression on my life that I will never forget. The time I have spent here was never regreted for the people here have made it all worth while. I will miss you all greatly, but at least I can hold on to the memories. I will always remember Mr. Newberg for calling me "little girl". Mrs. Doffing for her care and concern. A special thank you to Ms. B. Perez, Mrs. A. Perez, and Rosie Lopez for their special friendship. J.V. Cheerleaders keep cheering. To our Editor-in-chief thanks for being you. I bid farewell to you all, but not to the memories. —Cathy Fonseca

"Like the sands of an hour glass, so are the days of our lives." Although my years at PSJA are tiny grains of sand in the endless ocean of time, I shall cherish every memory of it. From laughing and yelling in the halls to those fulfilled nites at "Big Ed's". I'd like to thank all my teachers, my fantastic parents, and my friends. I luv you Sonia, Sylvia and Josi. Don't ever forget me, I'll never forget you. Thanx Ms. Perez for "yearbooking" with me. Goodbye PSJA . . . Wish me luck. Time marches on . . . —Jaime Palacios

Twelve years ago I was reluctantly dragged down the street to a local elementary school. Since then, many schools have molded a collage of memories for me, with the last 3 years of school being the dominants. I will never forget the fun times with my friends at Eddies, pushing everyone off the bleachers at pep-rallies, laughing excessively in Hot Rod Newberg's class, yelling "Hay" down the hall and telling Mr. Bounous that I love him (I will probably miss you the most). I want to especially thank my parents for their support and understanding. I love you mom and dad. —Josi Mata

Advisor's Note

As the year comes to a close, memories that were created come creeping upon us and we look back at the wonderful year at PSJA. The yearbook staff worked long hard hours to preserve as many memories as possible and we sincerely hope that this book serves as your record book in years to come.

At this time I would like to thank the many people who helped us put the yearbook together. Many thanks to Bea Solis for the use of her negatives, to Hector and Joe Trevino for their assistance, to Ramiro Castillo for his negatives and to Mr. McKeever and the administration for their support. I would also like to thank my photojournalism students for supplying the staff with some terrific negatives and the FFA club and Robert Alaniz for the use of the enlarger. Special thanks to Cleo Rodriguez, Aron and Arturo Santa Maria, Edgar Cabrera and Mike Thompson for always being there when I needed pictures taken or printed. But most of all I would like to thank my Bear Memories staff for doing a terrific job. Special thanks and lots of love to Cathy Fonseca, Emily Salinas, Jaime Palacios, and Josi Mata for the long hard hours they put in. I'll miss you. Many, many thanks to Mrs. Anna C. Perez, Mr. H. Sandoval and Coach J. Pena for always being there. Thanks for all your help. —Blanca Perez

Colophon

Bear Memories, the 1982-83 student yearbook of Pharr-San Juan-Alamo High School was printed by Newsfoto Yearbooks of San Angelo, Tx. Bill Overall and Oscar Garza were PSJA'S representatives. The theme "Time" was developed by advisor Ms. Blanca Perez and staff members Josi Mata, Jaime Palacios and Gloria Ayala. Artwork for the division pages was done by Edgar Cabrera. The cover was white P 5 with gold foil stamping. The book was printed in 80 pound enamel paper with a Smyth binding. The body copy was set at bodoni standard with the exception of the first signature.

All black and white photographs with the exception of school portraits were taken, processed and printed by students in the photography department.

School pictures were taken by Don Hlubek and color pictures were taken by PSJA students but processed and printed by Trevino's Photo Center and Meisel Photohome Inc. of Dallas, Tx.

800 copies were printed and sold at a price of \$18.
